 - [2nd Friday] Sub-WG **Website Content Committee** (UAG-W)
 - [3rd Friday] new: **Sub-WG Attributes** (UAG-A)
 - [Concluded] Ad hoc groups (Running projects, DFG, Text guides, Views...)
- Community contributions always **welcome!**

contact: Giacomo Lanza

Sub-WG redaction

- Tasks:
 - curate RDMO catalogs, options ...
from own development or community
- Running activities:
 - filling the gaps of application landscape
(subject × funder × ...)
 - You can suggest a theme!
- Future directions:
 - Issue template? [#274](#)
 - Mappings/crosswalks? [#210](#)
 - Harmonisation of community contributions?

Content curated by the RDMO team

| Subject/Coverage | Catalog | View | Last update | Creators |
|--------------------------|-------------------------|--------------------------------|-------------|------------------|
| All questions (long) | catalog | | 2020-08 | RDMO team |
| All questions (short) | catalog | | 2020-08 | FHP / RDMO team |
| DCC checklist | catalog | | 2018-10 | RDMO team |
| DFG checklist | catalog | view | 2023-11 | RDMO team |
| Horizon Europe | catalog | view | 2022-12 | RDMO team |
| Software Management Plan | catalog | view (FAIR4RS) | 2023-11 | MPDL / RDMO team |

Sub-WG Website - 1

contact: Sabine Schönau

- Tasks:
 - Curate the online presence of RDMO
 - Curate guides and manuals
- Progress since the last Community meeting:
 - Revised & updated publications list
 - New Editors' Guide based on Hackathon
- Current activities:
 - Collect RDMO output and define reusability

Kooperationsnetzwerk

Alle RDMO-Nutzende und Institutionen, die über eine eigene Instanz verfügen, können sich Rat und Unterstützung von der RDMO-Community holen. Dieses Kooperationsgeflecht ermöglicht RDMO gleichzeitig, Anforderungen und Feedback aus den Fachwissenschaften zu berücksichtigen, sowie den Austausch und die Abstimmung mit Infrastrukturinitiativen zum Datenmanagement sicherzustellen.

contact: tbd

Sub-WG Website - 2

- Future directions:
 - Transfer to Public relations working group of the RDMO Association
 - especially websites, social media, event preparation
 - website as central knowledge hub
 - Manpower **required & requested!**
 - ...

contact: tbd

New! Sub-WG Attributes

- Motivation:
 - harmonise and document attribute collections
 - Search and filter options
- Tasks:
 - document existing attributes
 - good practice and guidance in catalog development
 - improve logics/hierarchy
- current activities:
 - cluster attributes corresponding to the RDA-maDMP schema
 - ...

Conclusion

- From the community for the community
- Low-threshold participation
- Most work does not need any programming skills
- More disciplines **welcome!**
- Beginners **welcome!**

Thank you for your attention!
